

Aluminium Design 2021

Competition

regulation

Founder:

Aluminium Association

Organizers:

Union of Architects of Russia,
Union of Moscow Architects

Targets

- Engage designers and young specialists in work with aluminium;
- Demonstrate the extensive application of aluminium in industrial, interior and environmental design;
- Develop competences related to the application of aluminium in industrial, interior and environmental design.

Participants

Designers, architects, artists, design-engineers, architect and design bureaus, specialists in the aluminium industry, university and college students are invited to take part in the competition.

Sections

- Realized
- Unrealized

Topics

- Industrial design
- Interior design
- Environmental design

The competition assesses a design item – a design solution in developing a harmonious, functional and expressive form of an object.

Categories in each section

- Furniture item
- Luminaire
- Interior item or element
- Art object
- Small architectural shape, urban and landscape element

To be presented

- Pieces of furniture made solely of aluminium or aluminium combined with other materials: sofas, tables and chairs, benches, outdoor furniture, etc.;
- Elements, interior details and small furniture pieces - doors, blinds, aluminium partitions, stairs, wall panels, wall decor, sculpture, art objects, decorative elements;
- Lamps, chandeliers, sconces, lanterns, etc.;
- Elements of engineering, technical and domestic equipment in the interior;
- Hardscape and amenities (flowerpots, litter bins, benches, public transport stops, etc.);

The work can be performed with various technologies.

The main evaluation criteria: original and innovative design solutions; high functional, ergonomic and environmental qualities; innovations in aluminium materials and technologies.

Awards

Grand Prix for the best realized design project and a valuable gift; Certificates for the best design project in every category within the IMPLEMENTATION and DESIGN sections as well as special awards from the Aluminium Association.

The jury will decide on the number of the Certificates to be awarded.

Deadline

Deadline for submitting the application and the project: on or before August, 9, 2021.

Exhibition of the projects will take place on September, 21-23, 2021, at the AlumForum in Technopark of the Skolkovo Innovation Centre in Moscow.

The award ceremony will take place on September 23, 2021, in Technopark of the Skolkovo Innovation Centre in Moscow.

Terms for participation

In order to take part in the competition, submit the following documents to konkurs_smaexpo@mail.ru:

- Application and Appendix hereto,
- exposition material,
- brief description of the project (idea, materials and technologies used, dimensions) — 1 page (A4 format) in a separate doc/docx document.

If an author (authors) submit several projects, every project must be submitted with a separate application and payment of a registration fee.

The authors of the submitted projects guarantee that these projects and the relevant information do not violate any copyright or property rights of third parties and assume all responsibility in the event of claims by third parties.

Exposition material

Exposition material (a board) must include:

- information field (leave a 10 cm high empty space on top of the board, to be filled in by the competition Organizers in the basis of the participant's applications);
- pictures of the exhibited item in any technique that can demonstrate the idea of the author (photos or 3D pictures, graphical projections, sketches and/or drawings. Photomontage can be used for the sake of better visualisation)
- a brief description of the item (idea, materials and technologies used, dimensions)

Additionally, it is possible to exhibit the model or the item itself in full size.

Competition organizers will print out all the materials for the exhibition.

Requirements to the materials:

- exposition materials must be submitted in electronic form as TIF image file, 95 x 95 cm, 150 dpi resolution
- one project exposition goes with one board.

Catalogue

For publishing the information about the projects in the catalogue and uploading it on the website, please submit the images to be presented on the boards in the original high resolution

(TIF, CMYK 300 dpi. High-quality JPG images can also be submitted)

Registration fee

Registration fee – 200 € for one project; VAT free.

The fee includes printing out of the project, publication in the catalogue (1 A4 page), exposition arrangement, renting exhibition structures, posting information on the websites of the Forum, CAP, CMA, Aluminium Association and the information partners.

Payment is due by August 9th, 2021.

The work will be included in the list of competition participants after the payment notification has been received.

Publication of advertisements in the catalogue (optional):
1 page - 550 €.

Miscellaneous

— All exhibited items will remain at the disposal of the Organizer. The items not chosen by the jury may be returned to the participants within 30 (thirty) days after the announcement of the results at the address: 7 Granatny per., Moscow

— Pictures of items and information about them can be used at the discretion of the Organizer for the competition-related advertising purposes.

— The results of the competition will be posted on the websites of the Forum, the Union of Architects of Russia, the Union of Moscow Architects, the Aluminium Association and specialized media.
